

## Looking back on a successful year.

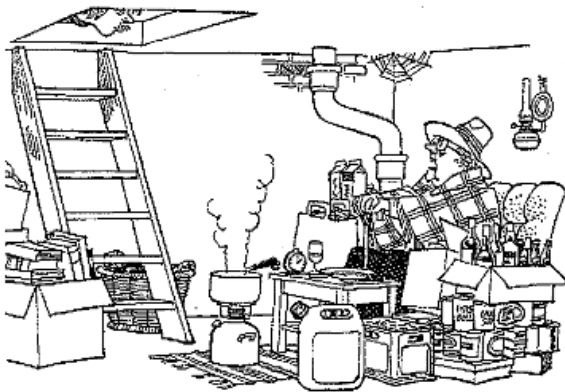

As usual, our reason for getting together still evolves around Danish food, Danish language, Danish customs – just celebrating (still) being Danish, although far from home. Over the last year, we have enjoyed the following events:

- ✓ (Danish) Movie night
- ✓ Scandinavian Pot Luck Dinner
- ✓ Christmas Function with Danish pastor
- ✓ Quiz Night (did we score high in the Danish section?)
- ✓ Smørrebrødsfest (does it get any more Danish than this?)

*A big thank you to those that have hosted us,  
cooked for us or provided entertainment for us.*

In the committee, we have fun (and dinner) planning these events, but we'd always welcome some actual wisdom to join us.

Our membership numbers remain as stable as our financial accounts. The only thing that seems to reliably increase is our average age!

Kom bare op, bedstemor, de andre er blevet vaccineret!

So, I think we'll keep ticking along, arranging events around either food or entertainment and expect you, our members, to give us any feedback you have.

Take care and we look forward to you enjoying our future events with us.
